### ANDY

Distortion in Art

Structured rectangular section and flat main sides are softened with rounded contours and a generous glass base in the shape of a teardrop.

Available in 30, 50 and 100 ml

### CALLISTA

Tribute to curves

The thick base in the shape of a suspended bridge enhances the attractive effect of its repeated curves on the Callista perfume bottle.

Available in 100 ml

### SENS

Always a good choice

Sens perfume bottle might be just perfect for your next fresh powdery floral or masculine woody fougère fragrance.

Available in 30, 50 and 100 ml

### PARIS

Always a good choice

The beauty of the Paris perfume bottle is shown in its elegant lines that represent calmness and home.

Available in 50 and 100 ml

### DUORO

Daring. Solid. Mysterious.

A bottle with a male character and the mysteriousness of a woman. It has a distinctive flat shape and a rectangular base with clean lines.

Available in 100 ml

### LENA

Sophisticated.  
Valuable. Original.

Full of contradictions, like the Lena River. Playfully trickling in the upper reaches, smooth and calm in the lower.

Available in 100 ml

### KENAI

Nothing is as it seems

A perfume bottle made out of pure extra flint glass has soft, flowing lines that rise from a compact base. Soft on the outside, full of life on the inside.

Available in 30, 50 and 100 ml

### FUJI

Transcendent, without equal

Its rounded and harmonious lines, like a polished stone, make it comfortable to handle. The bottle reflects a feminine spirit and a certain taste for luxury.

Available in 100 ml

### TARA

As mysterious as the deepest canyon

Tara perfume bottle with a gentle round base, promises accessibility and invites us to hold it in our hands.

Available in 100 ml

### TOKYO

Influenced by Japanese design

Traditional Japanese design and modern trends. The visual appeal of the Tokyo perfume bottle is the concave shape of its body with its refined elegance.

Available in 30, 50 and 100 ml

### SULTANE

Inspired by nature

The shape of the Sultane bottle is inspired by nature, with an extremely pure design that mirrors a water droplet.

Available in 100 ml

### TORNE

Safety. Firmness. Stability.

The tradition of Swedish design is reflected in the cool, clean shape of this elliptical perfume bottle, which exhibits courage and stability.

Available in 100 ml
